All overdue and unpaid balances may be referred to collections without notification to you. Returned check fee is \$25.

**Insurance** - We do not bill insurance. Most insurance companies do not cover our services in Idaho; however, there are exceptions. Be sure to check with your insurance carrier prior to your appointment. The receipt you will receive is insurance-ready with appropriate codes and can be submitted for reimbursement or to health savings accounts.

**Cancellation Policy** - Twenty-four hour notice is required for cancellation. If no notice is received ahead of time, you will be billed for the full price of the visit. If notice is given less than twenty-four hours, you will be charged half price.

**Supplements** - Patients are not ever required to buy supplements through Boise Natural Health Clinic; however, we do offer high quality supplements for our patients and your business is appreciated. For refills, twenty-four hour notice is requested. Phone messages may be left 24 hours a day. You may also request refills online at [www.boisenaturalhealth.com](http://www.boisenaturalhealth.com) and we will reply via email when your refill is ready.
