

Dear Patient,

Welcome to Boise Natural Health!

The following document is our **New Patient Intake Form for adults 18 years or older and girls who has started having menstrual cycles**. Please print it out, complete it as best you can and bring it with you to your appointment. It is also helpful to bring any supplements and/or medications you are currently taking. If you have copies of laboratory reports it is a good idea to bring these along as well. You may also want to have labs forwarded to our office from your other providers ahead of time.

Please be aware that our office is “Fragrance Free”. Please do not wear scents to our office that are perceptible by others such as perfume, cologne, scented hair spray, scented deodorant, or scented lotion. We appreciate your respect for our chemically sensitive patients and staff.

If you have any questions, please feel free to contact us at 208-338-0405. If for any reason you need to cancel or change your appointment we request you give us 24-hour notice and please do so via phone and not by email reply.

We look forward to meeting with you.

WHEEL OF BALANCE

Wellness is a balance of many factors. Using the circle, shade your level of satisfaction in each area as it relates to you.

For example, if you are extremely happy in your career, shade the entire pie shape for career.

Do the same for each area, starting from the center point radiating outwards.

Thank you for taking the time to complete this form.
We look forward to providing you the best possible care.
