## POLICIES

### Office Hours

Mon – Fri 9am – 1 and 2pm - 5

**Phone appointments** – There is no charge for a quick question to the doctor or practitioner. Phone consults longer than 10 minutes are billed like a regular appointment.

**Payment** - Payment is expected at the time of service. To keep our costs low, payment is preferred by check or cash but Visa, MasterCard and Discover are also accepted. All overdue and unpaid balances may be referred to Collections without notification to you. Returned check fee is \$20.

**Insurance** - We do not bill insurance. Most insurance companies do not cover our services in Idaho; however, there are exceptions. Be sure to check with your insurance carrier. The receipt you will receive is insurance-ready with appropriate codes and can be submitted for reimbursement and health savings accounts.

**Cancellation Policy** - Twenty-four hour notice is required for cancellation. If no notice is received ahead of time, you will be billed for the full price of the visit. If notice is given less than twenty-four hours, you will be charged half price.

**Supplements** - Patients are not ever required to buy supplements through Boise Natural Health. However, we do offer high quality supplements for our patients and your business is appreciated. Payment is required at time of purchase. Twenty-four hour notice is requested for refills. Phone messages may be left 24 hours a day. You may also request refills online at [www.boisenaturalhealth.com](http://www.boisenaturalhealth.com) and we will reply via email when your refill is ready.

**Laboratory Services** – Unless covered by your insurance, payment for labs is due at the time of service. Prices vary and are not included in the cost of the office visit. Please call for more information.
