

Patient Instructions for Blood Draws:

If you have a specialty lab test kit from BNHC, bring to Cole Diagnostics or Treasure Valley Lab

If your doctor asked you to fast – do not eat or drink for 12 hours prior except water.

If testing hsCRP, don't exercise intensely 48 hours before your blood draw.

If testing Cortisol do the draw as close to 8 am as possible, not after 9 am.

If testing THYROID:

Your blood must be drawn 4 – 6 hours after your last dose.

No supplemental BIOTIN for 48 hours prior to the blood draw. Check your multi.

Locations for Blood Draws – Double check the labs' web pages as hours change:

No appointment necessary. Take your lab order requisition from BNHC to the lab station your doctor requested. If none requested, you can use any lab. You can ask the lab to bill your insurance or pay them directly. They will fax the results to BNHC. For information about Medicare and insurance coverage, contact the lab directly.
