

## JOB OPENING

**Medical Professionals: Are you an MA, RN or EMT looking for the right blend of good people, fulfilling work, and flexibility?**

Boise Natural Health Clinic, a naturopathic medical clinic, is looking for you! We are currently offering a part-time position with flexible hours (8 - 16 hours per week) to assist our three doctors with patient care and related patient administrative tasks. This is an ideal position for someone with medical training who is looking for flexibility and a healthy work environment.

Responsibilities include (but are not limited to):

- Injections and IV administration under physician supervision
- Blood draws and preparing other laboratory tests
- Oversight of patient management - communication, scheduling, maintenance of electronic health records, tracking lab results
- Special related projects as assigned.

Qualified applicants will possess:

- A passion for natural medicine
- A desire to help support those in need
- Certification or licensing
- At least 1-2 years of experience in a medical setting
- Excellent interpersonal and organizational skills
- Familiarity with electronic health care records

Salary commensurate with experience.
